

Head of Finance/Controlling (w/m/d)

Full Time or Part Time

No: 060-0519

LenioBio GmbH is a young and highly innovative biotech company that develops and markets a novel, unique and proprietary protein production platform, ALiCE, which enables protein-based therapeutics to become more accessible and affordable. With the commercialization of our cell-free technology “ALiCE”, we are expecting to create a turnover in high eight-digit figures. In order to develop this extremely ambitious venture we are looking for a motivated and visionary

Head of Finance/Controlling (w/m/d) (full time or part time)

To join our team in our Düsseldorf headquarters as soon as possible.

Your Tasks

- Setup, develop and manage the complete accounting system
- Compile the annual financial report
- Work in close cooperation with the Chief Executive Officer on all financial matters
- Responsible for the preparation and execution of financing rounds and act as a contact for investors
- Involvement in the planning and organization of business financing
- Development of the existing financial planning

Your Profile

- University degree in business management/economics (ideally with a focus on Finance/Controlling) or an accredited vocational training (e.g. Controller)
- Experience in accounting and company financing
- Experience in the development and execution of organizational and reporting structures in the finance department of “larger” companies coupled with the awareness what needs to be implemented in a start-up business at what time
- Sound knowledge in cost accounting, financing and reporting
- You are looking for a diverse and challenging assignment in a fascinating multicultural company with tremendous growth potential
- Understanding of/interest in the Life Science Sector
- We are expecting high levels of discretion and loyalty
- You have a sound knowledge of the MS-Office package
- You are proficient in business English (C1 level)

Our Offer

If we have sparked your interest to be the future Head of Finance at LenioBio GmbH, allowing you to shape the framework of the company, create structures and take over responsibility, we are looking forward to receiving your application.

We will offer you excellent working conditions with the highest social standards in an ambitious team. This position offers great potential for development in a fast-growing company. You can count on a fair and attractive salary and flexible working hours.

Please note that we will also welcome your application if you wish to return to the job market after parental leave.

For further information, please contact our HR consultant Ms. Silke Beaucamp (0151-25327721, sb@beaucamp-unternehmensberatung.de). Please send your complete application including the reference number 060-0519, your salary expectations and your earliest possible starting date as a complete PDF to careers@leniobio.com. Your application (except references/certificates) must be written in English. We will, of course, treat your application with complete discretion and comply with the German privacy laws.
